RESOLUTION NO. 08-08-25

**A RESOLUTION OF HORSHAM WATER AND SEWER AUTHORITY
ESTABLISHING RULES AND REGULATIONS GOVERNING GRINDER
PUMPS.**

WHEREAS, the Horsham Water and Sewer Authority (“Authority”) owns certain sewer facilities (the “System”) which provide public sewer service to the residents of Horsham Township (the “Township”); and

WHEREAS, certain properties connecting to the Authority System require the use of grinder pumps to utilize the System; and

WHEREAS, The Township enacted Ordinance 291 regulating the use of grinder pumps and delegated certain responsibilities to the Authority in regulating the use of grinder pumps within the Township; and

WHEREAS, the Authority desires to establish certain rules and regulations governing the use of grinder pumps which connect to the Authority System.

NOW, THEREFORE, be it resolved, and it is hereby resolved as follows:

1. Grinder pumps may connect to the System provided: 1). the connection complies with the Authority’s standard specifications and 2). the property owner has obtained all necessary permits, including a plumbing permit, from the Township.

2. Any property owner utilizing a grinder pump shall provide the Authority with a copy of the Township plumbing permit and documentation from a licensed

plumber that the proposed grinder pump meets the required operating conditions for the installation. The licensed plumber must execute the form statement which is attached hereto and made a part hereof as Exhibit "A".

3. When necessary, the Authority will provide the system head information to a property owner desiring to utilize a grinder pump to connect to the System.

4. The owner of any property utilizing a grinder pump must execute a Grinder Pump Maintenance Agreement and is responsible for all costs associated therewith, including recording costs.

5. A property owner shall be solely responsible for paying all costs associated with the use of the grinder pump, including the purchase cost, installation costs, connection and any Authority inspection fees required for the installation of the grinder pump.

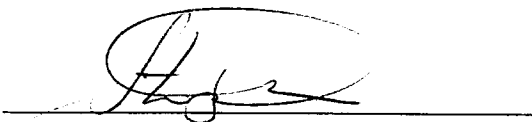

6. A property owner utilizing a grinder pump to connect to the System shall be required to fully comply with all provisions of Ordinance 291 and all provisions of the applicable Township Codes and Authority rules and regulations.

7. All rules and regulations detailed herein are subject to periodic changes by the Authority.

8. All prior resolutions inconsistent with the contents of this Resolution are hereby rescinded and of no further force and effect.

This Resolution is effective this 25th day of August, 2008.
