Re: Herman Road Sanitary Sewers

Dear Resident,

This is an update since our last correspondence on August 31, 2021. The Horsham Water & Sewer Authority has awarded the contract for the upcoming sewer project in your area to AKC Mechanical, LLC.

A construction schedule will be provided as soon as it becomes available. In the meantime, and prior to the start of construction you may see the contractors performing preconstruction video-taping. This is a requirement of the contract in order to document existing conditions throughout the work area and ultimately ensure that the area is properly restored.

You will receive additional communication as more definitive information becomes available. In the meantime, you are encouraged to sign up for email updates on the project. You may do so by going to the Authority's website at <https://www.horshamwater-sewer.com/customer-updates>. After entering your contact information, scroll down to the projects section and select "Herman Road Sewers". Please be assured that your email address will only be used for the purpose of informing you of Authority business.

As always, please feel free to contact our office at 215-672-8011 with any questions you may have. We look forward to the opportunity to serve you.

Very truly yours,

  
Tina M. O'Rourke  
Business Manager
