Willow Grove Air Station Restoration Advisory Board Meeting

The Naval Facilities Engineering Command Base Realignment and Closure Office (NAVFAC BRAC PMO) and the Air Force Civil Engineer Center (AFCEC), announce a scheduled meeting of the Willow Grove Air Station Restoration Advisory Board (RAB). The purpose of the meeting is to discuss comments or concerns that the community and RAB members may have regarding environmental issues at the former Naval Air Station Joint Reserve Base (NAS JRB) Willow Grove and the former Air Force Reserve Station (ARS), Willow Grove.

NAVFAC BRAC PMO will provide updates of restoration activities at Navy environmental sites including Site 3-Ninth Street Landfill, Site 5-Fire Training Area, Site 12-South Landfill, the Radiological Assessment, and the response to the identification of perfluorinated compounds (PFCs) in drinking water. The Air Force will provide an update of the Site ST-01 remediation. Navy and Air Force support staff and regulatory agency RAB members will be available to answer questions.
